

Bacha Entrepreneurship Project embarks on outreach programme

The three partner organizations, the Revenue Services Lesotho (RSL), Basotho Enterprises Development Corporation (BEDCO) and Standard Lesotho Bank (SLB) will embark on outreach programme aimed at sensitizing youth about Bacha Entrepreneurship Project (BEP).

The programme will cover all districts and will commence on the 20th May 2024 in Mokhotlong and end on the 1st June 2024 in Maseru. The outreach programme aims to create awareness about the BEP and to encourage eligible youth to submit their business proposals. The three partner organizations are calling for viable, sustainable, and profitable business proposals that will be financed for a combined start-up capital of M1, 000,000.00.

The project is intended to assist unemployed youth within the ages of 21 to 35 to become employers and drivers of economic growth by becoming entrepreneurs. The project, now in its 4th phase, is intended to build a crop of young entrepreneurs who can break the barriers to become job creators, not job seekers.

The corporate social responsibility project which began in 2014 has established and developed twenty-eight (28) businesses in different sectors of the economy and 103 youth have been employed in the businesses. The project has also capacitated 188 youths with entrepreneurial skills. The deadline for the submission of proposals is the 28th June 2024.
